Dedication

We cannot express our appreciation enough for the 25 years of service our lunchroom supervisor, Mrs. Ethel Eatwell, has rendered to our school. She has worked very hard making interesting menus and preparing foods that please the students.

She has shown great patience and loyalty, thus maintaining the respect and admiration of all who are friends, as well as students. We wish her many years of happiness in her retirement.

In deep gratitude and appreciation, we wish to dedicate our yearbook to ETHEL EATWELL.

The 1981 football season proved to be a banner one for the Mingo Mohawk football squad. Under the direction of first year coach Bryan Williams, the Mohawks compiled a very respectable 6-3 record. They also received a second place finish in the Mid-Iowa conference behind LDF.

The 6-3 record equaled the number of victories by previous Mohawk squads over the past ten years, and established a new Mingo football record for most victories in one season. The season was capped by four Mohawks being named to the All Mid-Iowa Conference team. They were Chris Morton, senior offensive squad; David Wilson, senior defensive back; David Gerhart, senior defensive end; and Mike Maher, junior linebacker. David Oberhart and Chris Sutton were named to Honorable Mention. Although graduation takes a

heavy toll, claiming seven seniors, a good group of players will return in 1982. Hopefully the hard work and pride established by the 1981 squad will start a new winning tradition for future Mohawk teams.

The 1981 - 82 season opened with the usual abundance of optimism and hard work. Although we had lost key players in both courts, our main concern was rebuilding the forward court where two starters had graduated. The resulting season was one of many ups and downs. So many times in close games the breaks seemed to go against us and we had to settle with a 9 - 9 record. Our potential showed in a 50 - 49 loss to the Western Division Champs, United. And really came through in a 55 - 53 victory over the Eastern Division Champs, SEMCO. It was SEMCO's only regular season Conference defeat. By defeating Garwin 47 - 46 in the Conference playoffs, we secured a first division finish in the conference standings with 5th place. Although we did not always come out on top, our girls should be congratulated for the near 100% effort displayed on the court. Graduating seniors are Deanna Deaton, Denise Relph, and Diane Wilson. Junior Julie Relph was named to 1st team All-Conference. Junior Kathy Bluebaugh and Sophomore Rhonda West were named to Honorable Mention.

Mingo's boys basketball team completed a fine season with a 14 - 6 record. This was the schools first winning season in more than 20 years.

During the season the team was able to reach many of its goals. Besides having a winning season, the team finished second in the Baxter Tournament and won the Western Division Championship.

Individual players also received awards. Mike Maher was named 1st team All-Conference, Honorable Mention All-State and Outstanding Defensive player in the Baxter Tournament.

Chris Sutton was named 2nd team All-Conference. Dave Gerhart and David Oberhart were Honorable Mention All-Conference. Randy Sutton was the teams best defensive player.

The 1981-82 season was a rebuilding year for the Mingo squad. The graduation of five seniors left us on the short side as far as experience was concerned.

The girls finished with an overall record of 3-11. This was good for an 8th place finish in the conference.

Senior, Diane Wilson, and junior, Julie Relph, were named Honorable Mention All-Conference. Graduating seniors are Diane Wilson, Denise Relph, and Deanna Deaton.

The 1982 Girls Track season was one both the team and the public should be very proud of. With only 12 girls on the team, and only 8 to consistently enter in the running events, the fact we finished 2nd or 3rd in 6 of our 8 meets is a tribute to the quality of athletes we had. It was a season characterized by high places in the events in which we competed, but unfortunately our lack of depth kept us out of just enough events to prevent us from challenging for meet championships. With the loss of only 3 seniors, the returning of 6 of our top 8 point scorers, and a good group of 8th graders coming up, look for next year to be another fine track season for the Mingo girls.

The 1981 softball season featured a young team which produced a roller-coaster season — two or three fine games followed by several poor games. It was especially gratifying that some of our players who do not start regularly played vital roles in our victories. Because of injuries, Kendra Maher and Carol Matthews saw much action. Kendra scored the winning run against Colo. Carol played third and had two hits and two RBI's against Maxwell.

Our team featured aggressive base running and solid defense. The line-up regulars played energetically and conducted themselves as ladies, both on and off the field.

We will sorely miss Carla Altes, our lone senior, next year, both on and off the mound. Her hard work and determination set the tone for our young team all season.

We now look forward to the next season with twelve lettermen and more experience. We are hoping for an even better season.

Conference Record: 7-6

Overall Record: 8-11

Co-MVP's: Jeff Heffelfinger and David Wilson

The first year of divisional competition, featuring a conference playoff system was quite eventful and exciting. The boys provided area fans with some of the finest baseball it has witnessed in years, gaining the playoffs by finishing second in the West Division. Although we lost to Semco 4-2 in the playoffs, it is quite evident the near future could hold many more such opportunities for a conference championship.

We lose only one senior off this year's squad, Jeff Heffelfinger; and although we will certainly miss the fine pitching Jeff provided the past season, we have enough quality players returning to insure a strong program again next year.

Actually the key word this past season was inexperience. Although we certainly had the talent to be better than our 8-11 record, too many inopportune experience-related mistakes prevented it. Still it was the best conference finish for baseball in many years; and with eight starters returning, including six all-conference performers, next year would seem to be the best ever and is anxiously awaited.

Cory leaps to a victory.

Theo stays right on top of things.

The Mingo Junior High track teams, although short in numbers, had a very successful track season. Due to uncooperative weather the season was limited to a quadrangular meet at Bondurant-Farrar, a triangular at Colfax, and the Mid-Iowa conference meet at Colo.

The girls, led by three outstanding eighth graders, finished second in the meets at Bondurant and Colfax and placed third in the conference meet. This was quite an accomplishment considering the team consisted of only seven girls.

Kris Oberhart in the 880 and 440, Gwen Meyers in the 880 and 440, and Christina Gray in the shot and discus were not beaten. Gray also set a new conference record in the shot at the conference meet. The 4 x 100 relay team of the above three and seventh grader Lisa Blubaugh also won the conference title in that event.

The boys were plagued by lack of numbers and lack of experience. The only three eighth graders were Ryan Maher, Tracy Beals, and Theodore Meyers. Joining them were the seventh graders Darrin Gerhart, Cory Beals, Jeff Bisom, and Marvin Gragg. It is hoped that next year a much larger turnout of young athletes will be experienced. All of these young people worked very hard and the people of Mingo can be very proud of the way they represented the school.

Tracy keeps the attention of the spectators as he hurdles.

In Memory

When I Must Leave You

When I must leave you
for a little while,
Please do not grieve
and shed wild tears
And hug your sorrow
to you through the years,
But start out bravely
with a gallant smile;
And for my sake
and in my name
Live on and do
all things the same,
Feed not your loneliness
on empty days,
But fill each waking hour
in useful ways,
Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near;
And never, never
be afraid to die,
For I am waiting
for you in the sky!

In memory and with great respect Carla Maxwell will be remembered by students, faculty, employees and parents of the Mingo Community School District. Even as the days grew more difficult, she made an extended effort to be with her "kids." She always greeted everyone with a smile and a kind word as they arrived in the morning. Being with her "kids" and being useful was all she desired. Little did she realize she was an inspiration to all who knew her. Carla was truly a very special person and is sadly missed by all who knew her!

Loretta,
^{very}
To a nice girl that is pretty.
I wish you all the luck in
your jr. & Senior years.
